

March 20, 1998

Jack,

Here is a copy of the OBG Sampling Plan as a reference. At this time we are not sure if this Plan will be utilized in the Bossert Phase 2 Investigation but at least you have the same information as NYSDEC and the City of Utica currently possess.

I will be working on a Work Plan for Phase 2 from now until it is finalized.

I'll keep you updated as things progress.

John
